Reciprocity for students between Duke City classes and Wilde Bunch classes:

Lisa Miller (Duke City) approached Lise about allowing the students to attend each club's classes without an extra charge and exchanging students lists for working this out.

Because the Wilde Bunch class will be 3 weeks ahead with a significant number of calls, it was felt that having students who are not on the same level will slow down the class and therefore the Wilde Bunch can not agree to this idea.

In the future, the two board should coordinate the starting dates of the classes if this idea is to be agreed to.

Prices for new students:

Weeks 1 & 2 are free

Weeks 3 & 4 \$8.00

Report on 2027 Convention:

Registration: club members pay only \$200 if willing to work four (4) hours during convention

Fill in the special registration form in give it to Lise, James or Pablo to volunteer.

James now has 198 registrations.

James needs to keep the Board informed of what is going on and what we need to do so that there is no last minute rush items/jobs.

New Business:

Contracts for reserving the square dance hall for next year are signed in October.

The future dates need to be determined now in order to get the dates which we want.
