Treasurer's Report: N/A

Fly-In scheduling update & discussion:

Decision made for Jean & Wally (others in attendance regrettably declined) to conference call with Denver tomorrow, Tuesday, 9/27, 5:30pm, for discussion requested by Denver regarding CTC hosting going forward. Board to retain final approval of any proposed changes to date, refer to the MINUTES, August 29, 2016.

Parking lot paving and striping:

The ASDC, Albuquerque Square Dance Center, has contracted for paving and paint striping repair work, effectively requiring street parking 10/24 through 11/1, as access to the parking lot will be impossible while work proceeds and any new asphaltic concrete cures. Closure of the parking lot is also tentatively scheduled, subject to weather conditions, 11/7 & 11/8, for application of sealant and paint striping. Footpaths to the building will be posted as work develops.

Other business:

Proposal for considering future holiday gifting donation for LGBTQ\* refugees (Middle Eastern). DM researching specific organizations in need.

Jenny M. Volunteering to Chair/organize Halloween celebration on Monday of Halloween.

Pablo C. checking with our club callers for specific start dates of next class, early January, 2017.

Next Meeting 10/17.
