First Mondays

- ▼ Purpose
 - Provide a marketing opportunity for the Wilde Bunch every month
 - Show new dancers what a fun group we are
 - Build a list of potential students for new class
 - · Provide variety for the Wilde Bunch
 - To provide a dance and social opportunity for people who can't commit to every Monday
- ▼ What First Mondays should be like
 - Focus on guests (for at least the first hour)
 - ▼ Variety of dancing (not just 3 or 4 "first nighter" squares)
 - Big circle mixers
 - Sicilian Circles
 - Longways (Virginia Reel-ish)
 - Traditional Squares
 - Easy Contras
 - Easy line dances
 - The Barn Dance and other similar dances
 - Non-stop dancing for the first hour
 - Every experienced dancer tip gets a singing call (reason: more fun for guests to listen to)
 - At the door
 - ▼ Someone should be sitting there for at least the first 15 minutes
 - Welcome guests
 - Give them a name badge
 - ▼ Collect contact information (and info about how they heard about us)
 - If they came with one of our dancers, collect that info; maybe we can start giving recognition to people who bring a lot of guests
 - Give them something to take away
 - ▼ At least a card or flyer with the start date for the next class and the WB's URL
 - This means we need to decide that date early
 - Maybe a decorative refrigerator magnet to remind them of the WB
 - We should look prepared, like this is a regular activity that we do, and welcoming. Maybe we need a sign of some sort in the lobby
 - It would be nice to have someone notice when a guest leaves, and make sure to say goodbye and invite them back next month.
 - During announcements

- ▼ Welcome guests first
 - Announce when the next class starts
 - · Invite them back next month
- Remind dancers (and let guests know) about the flyers for all the events around the country.
 Reason: we want guests to know that learning to square dance opens up all kinds of social and travel opportunities...without belaboring it...just referencing the flyers.

▼ Possible Schedule

- For this to work, we need really short tips
- Tip 1: Review for class dancers. At this point, we may not know if we have any guests. Plus it gives guests a chance to see what we do in the class. Keep it short and do a singer.
- Tip 2: Guest
- Tip 3: Guest (variety dance)
- Tip 4: Short MS (we should have room if we're not taking any breaks; this gives us another chance to showcase fun music)
- Tip 5: Guest (variety dance)
- Announcements
- Tip 5: Guest (end guest tips with a square)
